

***If You Think Your Instructors Are Fun in Class,
You Should See Them at a Party!***

Dear Parents,

I'm writing because I'm excited about your child's approaching birthday, and want to tell you about the special children's birthday parties we provide at our Karate school. Imagine, who better to help celebrate your child's birthday than the fun and outrageous instructors at American Freestyle Karate. I'm sure you have seen the energy and enthusiasm our instructors put into their martial arts classes. Now imagine that energy mixed with the fun and entertainment of a birthday party! It will be one of the most thrilling and memorable birthdays your family will ever experience.

The instructors will spend the first half hour teaching your child and his or her guests in an awesome martial arts class. The action continues with your child leading the cake cutting ceremony. Your child will assist the instructor in cutting the cake with a Samurai sword! After the cake, we'll open presents and enjoy the last half hour of games and contests.

What does all this cost? It costs a lot less than you might imagine, and certainly a lot less than the other birthday party services in our area. The cost for the Karate party is \$149. This includes the 1 1/2 hour party for up to 15 kids with two instructors, drinks and all the place settings (napkins, forks, table cloth, etc.). You can also upgrade to other packages (please see the Birthday Brochure). Party invitations are provided for all parties!

I know your child's birthday isn't for a few weeks yet, but I would feel terrible if I didn't give you plenty of time to respond. Please don't delay! I only have a few openings for next month so call me today!

Sincerely,

,

Owner and Chief Instructor
