BACK TO SCHOOL

You should already have dates for school starting back and when the “open houses” are for your schools.

1. Call a week before to have a time when you can drop off breakfast for the teachers. Don't ask permission just ask which day would be best.
2. When you drop off breakfast, ask to set up a booth for your “free community event – anti bullying” the night of the open house. Just want to give our cards.
3. Have a table with an option of two Saturdays, which would be better. Name, cell number, which Saturday.
